Would your organization like to earn \$1,500? As part of our commitment to our communities, Jeanne D’Arc Credit Union established the “Give a Click” program in 2011. Each quarter, people are invited to visit our We Share A Common Thread website to watch a short informational video about three (3) organizations and cast a vote for their favorite one. The non-profit with the most votes at the end of the quarter receives a \$1,500 donation from the Credit Union’s Foundation. It’s that simple!!!

If you would like to be considered for an upcoming “Give a Click” campaign, please provide the following information.* We will select three worthwhile organizations each quarter.

Name of Non-profit _____

Contact Name _____

Email _____

Phone number _____

Mailing address _____

501 (c)3 number (must be a non-profit to be eligible) _____

Brief description of your services _____

Service area (you must serve the Merrimack Valley or Nashua area to be considered) _____

DISCLAIMER: *By submitting this application, you are authorizing members of the Jeanne D’Arc Credit Union Marketing team to come to your facility and make a short informational video for our WeShareACommonThread.org website and the “Give a Click” campaign. You are responsible for promoting your participation in the program and driving your supporters to our website to vote. Jeanne D’Arc Credit Union will promote each quarterly campaign via social media and press releases.

Application must be filled out in its entirety. All Applications are review by our committee and you will be notified if selected.
