We Share A Common Thread Foundation

The We Share A Common Thread Foundation was established in 2011 to make a difference in the lives of our members and the public at large by providing assistance with food, shelter, clothing, healthcare and education. Thanks to the generous contributions from our donors, last year's fundraiser raised nearly \$60,000 and supported 105 local charities. We truly live the mission of our foundation and the strength of "we share a common thread." With your help, we will continue to expand our opportunities to give.
